

**INDUSTRIAL  
FINISHING SERVICES, INC**

## COVID-19 UPDATE

We are an **Essential Business**, and we're ready to serve your business!

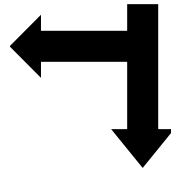

At IFS, **safety** is our first priority, for our employees and for our customers. We're making changes to our day-to-day processes to ensure that safety:

- » Workstations spaced 6ft apart whenever possible
- » Hourly Sanitation of all shared spaces
- » No visitors allowed on premise
- » Breaks are spaced to limit group sizes
- » Meetings are limited to less than 10 people

We will continue to operate to support all of our essential customers. If your supply chain has been impacted by COVID-19, we are here to help in anyway we can.
